Dear Representative McAdams:

On behalf of the world's largest business federation representing the interests of more than 3 million businesses and organizations of every size, sector, and region, I am pleased to inform you that the U.S. Chamber of Commerce has endorsed your candidacy for reelection to the United States House of Representatives.

The Chamber endorses pro-business leaders in Congress and vigorously supports policies that advance economic growth, help create jobs, and promote fiscal responsibility. Last year the House passed the USMCA, renewed the charter of the Export-Import Bank, reauthorized Terrorism Risk Insurance, and restored critical resources for highway funding. While just a snapshot of important House activity in 2019, your percentage on the Chamber's How They Voted scorecard was the driving factor in achieving this endorsement for 2020.

In challenging times, we are reminded of the importance of having leaders who understand the genius of the American system of government and free enterprise and who are willing to tackle the hard problems that confront our nation. Your continued leadership in Congress will benefit the nation as we combat the coronavirus, work to restore economic growth, and expand opportunities for all Americans.

If you have any questions, please contact Ashlee Rich Stephenson, vice president and national political director, at 202-463-5991.

Best wishes for a successful campaign.

Sincerely,
